Reasons for comment:	- Design - Highway Access and Parking - Loss of General Amenity - Overdevelopment - Privacy Light and Noise - Trees and Landscaping
Comments:	Way too many houses to be built in a small village. Losing everything ashington is about. We should be trying to keep the greenery in our villages not over build them. The infrastructure is not there to accommodate that many families. I live in the village and still cannot get my children into the primary school due to it being so full. How on earth will the village cope with this many extra families. We need to be protecting the wildlife and allowing nature to flourish not building ontop of it.

Kind regards
