Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Loss of General Amenity - Overdevelopment - Privacy Light and Noise
Comments:	I object to this application which is contrary to the relevant policies of both Horsham District Planning Framework and Henfield Neighbourhood Plan. The site is an undeveloped field which positively contributes to the rural character of the surrounding area. It is located outside the defined limits of the settlement in the open countryside.

The proposal would lead to an increase in traffic along West End Lane leading to further congestion particularly at the access points to the lane.

The proposed development is totally inappropriate.

Kind regards
