Customer Details

Address: 35 Finians Field Barns Green Horsham

Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Loss of General Amenity - Overdevelopment - Privacy Light and Noise - Trees and Landscaping
Comments:	This site was never identified for development as per local plan. Increase in traffic along the road, proposed entrance meaning

local business will suffer if there is no parking and the increase in flood potential. Flooding is already an issue from that field. I work at the local shop so my income stands to be affected if the shop had to close. The hedge on the field is very old and should be protected. The other big issue is the sewage which is barely able to cope now plus an existing development remains largely unsold so another 68 houses doesn't give the village anything it actually needs!

Kind regards
