Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Loss of General Amenity - Overdevelopment - Privacy Light and Noise - Trees and Landscaping
Comments:	We cannot allow such a horrendous act of countryside desecration to occur. People use that field, to walk dogs, to run, to get to places and most importantly of all, to enjoy the countryside. Unless the council wishes to limit our historic, natural town and it's beautiful surrounding natural areas to a concrete jungle of housing estates and depressing scenery, stop this ridiculous act of blatant

selfishness proposed by this company. Beech Road, and the surrounding roads will not let you do this to such a vital and beautiful natural area.

Kind regards
