Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Loss of General Amenity - Overdevelopment - Privacy Light and Noise - Trees and Landscaping
Comments:	Strongly object to this development due to concerns of over development. Concerned re increased traffic pollution, noise, inconvenience just getting out on to the main road from my home. Loss of natural habit is concerning. We used to walk the dog across this land and it was beautiful. Now for profit the natural

beautiful habitat will be gone.
I have lived in this area 33 years moved from a London suburb. In that time Horsham has become busier and more populated. If this development goes ahead it would feel like I live again in a London suburb. If I wanted to live in that environment I wouldn't have left. That choice feels like it has been taken away all for some else's profit. If this development goes ahead I would have to consider moving as the place I chose to live is not the same place and I wouldn't want to live here anymore

Kind regards
