Subject: RE: DC/25/1963 1 Hilltop Cottages The Mount Ifield EH response

Hi Hannah

Thanks for the consultation request.

My only comment relates the noise report. This does not consider the impacts of the increased aircraft activity and aviation noise following the approval of the Development Consent Order for the Northern Runway Project at Gatwick Airport.

The development site is projected to fall within the outer noise insulation zone from 2032 and therefore further information is required on the insulation of the dwelling against aircraft noise and the mitigation of overheating risks.

Regards

Lee
