Subject: RE: DC/19/2464 Land West of Worthing Road (Phase 5) Southwater

Morning Matthew,

I am satisfied the impact will be low and as you have stated this was expected following the consideration at outline stage. I am content the public benefit of providing housing to meet the District need will outweigh the low level of harm to the setting of the adjacent listed buildings to the north and the non-designated heritage assets at Chase Farm to the west.

Regards,
Seán
