Description of Proposed Works

Please describe the proposals to alter, extend or demolish the listed building(s)

Replace existing ten windows with double glazed units which are hardwood and exact replicas of the originals.

The property has six sliding sash windows and one casement window on the front elevation. There are two casement windows on the side elevation, and one on the rear elevation. Only the sliding parts of the sash windows have been replaced, the original frames have been repaired and continue in use.

The property has three casement windows which have been replaced with hardwood double glazed units which are exact replicas of the originals.

The glass panels in the front door and rear door have not been replaced.

Some windows were rotten, some were jammed.

These are the only alterations for this application.

Note that in the pictures of the front elevation, the ground floor window to the left of the front door (as viewed in the photographs) belongs to the Vintage Rose Tea Room, although the window above belongs to 3 School Hill. As can be seen, the windows at 3 School Hill match the window from the Vintage Rose Team.
