Stance:	Customer objects to the Planning Application
Reasons for comment:	- Overdevelopment
Comments:	I spend time with my daughter and her partner at the weekends and the village has been a comfort to me as an elderly person. The development would increase in the number of properties in the village to a level which is at odds with neighbouring properties. Some of which are beautifully, listed buildings with significant

heritage. Such a dramatic change, would also follow closely after the recent Sumner's Ponds development.

Kind regards
