Customer Details

Address: Warnham Parish Council Warnham Village Hall, Hollands Way Warnham

Comments Details

Commenter Type: Parish Council

Stance: Customer objects to the Planning Application

Reasons for comment: - Design

Comments: Warnham Parish Council OBJECTS to application DC/26/0727 for the following reasons:
1. The proposal fails to preserve or enhance the character and appearance of the Warnham Conservation Area contrary to Section 72 of the Planning (Listed Buildings and Conservation Areas) Act 1990.
2. The illuminated sign would result in harm to the setting of the adjacent Grade II listed Cobblers Cottage contrary to the heritage objectives of the National Planning Policy Framework and HDPF Policy 34.

3. The proposal introduces an unduly prominent and urbanising commercial feature within the historic core of the village which is inconsistent with the character identified within the Warnham Conservation Area Appraisal and Management Plan.
 4. Insufficient information has been provided to demonstrate that the proposed illumination would not adversely affect neighbouring residential amenity, and the issue of light pollution in Church Street and the adjacent listed building
 5. The proposal conflicts with HDPF Policies 33 and 34 through its adverse impact upon local character, visual amenity, heritage significance and residential amenity.
 6. Existing customers know where the Bodywise gym is located, where the need of a new sign is questionable particularly where its visual impact not only the adjacent property but to the historic character of Church Street which lies within the Warnham Conservation Area.
