Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Overdevelopment - Privacy Light and Noise - Trees and Landscaping
Comments:	The increased congestion of traffic at Moorhead roundabout. The fact that it is part of the High Weald National Landscape and will affect wildlife and eco-systems. Noise and light pollution. Already an overpopulated town, Horsham cannot already cope with no infrastructure to support the increase in housing. No

hospital, surgeries and schools are being built to support the overpopulation. All are already bursting at the seams.

Kind regards
