Address: Billingshurst Village Hall Roman Way Billingshurst West Sussex

Comments Details

Commenter Type:	Parish Council
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Overdevelopment
Comments:	At the Planning and Environment committee meeting of 7 July 2026, the committee resolved to an OBJECTION to this application as the increase of three-bed to four-bed, including the conversion of the garage to habitable space will increase the potential number of occupants whilst simultaneously reduce the parking capacity. We disagree with the applicants statement that "Parking is not compromised, as the existing front amenity space already accommodates two or more vehicles, sufficient for a

property of this size" when the front parking space viewed from the road currently only allows for the parking of one vehicle and the storage of bins. The increase in size of the groundfloor footprint and the loss of the garage will indeed compromise the parking aspect.

Kind regards
