Comments Details

Commenter Type:	Parish Council
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Other
Comments:	Objection. The Parish Council wishes to rescind its holding comment, lodged on the 18th June 2026. The Parish Council finds the report from the Fire Brigade quite alarming and feels there are significant issues that need to be resolved before planning permission could be granted; the

distance to the nearest water source, and the access problems for a fire engine. The applicant's basic duty of care to its paying campers needs to be considered, including addressing the difficulties that would be faced by fire crews should a fire incident occur.

Kind regards
