Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	We've already chopped down hedgerows, trees, and built 2,750 houses all over fields depriving the area of clean air, birds and wildlife whilst building houses, contributing to overheating of the area and not enough parking, doctors, dentists etc etc to support it. We do NOT want any more houses. The environment is already being destroyed and we need to keep what we can.

Kind regards
