Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Overdevelopment
Comments:	I object to the proposed conversion of two yurts into a permanent dwelling. This site is located in a peaceful, unspoilt countryside setting where there is no demonstrated need for additional residential development. Approving this proposal would erode the

rural character of the area, set an undesirable precedent for further development, and detract from the natural beauty and tranquillity that make this location so special. I respectfully ask that the application be refused in order to protect the countryside and preserve its unique landscape.

Kind regards
