Stance:	Customer objects to the Planning Application
Reasons for comment:	- Overdevelopment - Trees and Landscaping
Comments:	Enough is enough. Horsham was a market town and the overdevelopment of the area has allowed it to lose its unique charm. This new development can only really be led by greed as we have had thousands of homes built in the last 7-9 years alone. I object particularly as what little remaining green space we have left in North Horsham/Roffey really should now be left alone, for future generations and for all of the diverse wildlife that call it

home. Do the right thing and stop the proposed development from going ahead.

Kind regards
