| Comments:            | <p>Access to the site is very limited and given the nearness of the school I feel it would be dangerous for those walking to and from the area.</p> <p>There are no limited facilities in the village and already the need to travel to see a GP and dentist with it hard to get appointments near by so if additional persons are added it will be even harder than it already is</p> |

Kind regards
