Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	There is only one access road through church lane then up the London Road. That means over 300 vehicles added to an already very busy road worth traffic parked on either side of the road already There needs to be either access from the A24 straight onto the site or at the top end of the village.

Kind regards
