Re: Approval of details reserved by condition(s) 3, 7, 9, 13 to approved application DC/25/1324.

Dear Sophie,

I have had a look at the documents provided to discharge the outstanding conditions 3 and 13 of application DC/25/1324. The applicants have supplied a letter setting out issues around pre and post works surveys of the Scheduled Monuments, but the photo log referenced in this letter is not provided and neither are the fieldwork reports that are required to satisfy conditions 3 and 13. Please could you advise the applicants that they need to submit the reports that set out the results of the fieldwork and the post excavation results in order to satisfy the requirements of the conditions.

Many thanks

Nick
