Draft HRA / AA if necessary. If the water statement is insufficient discuss with TL / PPO whether to discuss / accept amendments to the strategy.	☐
Instruct Legal if s106 required (with prior TL / PPO agreement)	☐
WEEK THREE (+14)	**26th August 2024**
If amendments are likely to be needed discuss with TL / PPO (N.B. Only minor amendments will be accepted in accordance with the Amendment Guidance). When requesting amendments give clear deadline (i.e. start of week 5).	☐
WEEK FOUR (+21)	**2nd September 2024**
If no amendments required, contact agent / applicant with update on progress.	☐
Confirm whether delegated or committee decision (re: parish and neighbour representations)	☒
WEEK FIVE (+28)	**9th September 2024**
14-day re-consultation letters to be sent on any amended plans	☐
Prepare draft report	☒
WEEK SIX (+35)	**16th September 2024**
Check 35-day Cllr call-in for Committee	☒
If decision based on original plans, report to be drafted and submitted for sign off	☒
WEEK SEVEN (+42)	**23rd September 2024**
If decision based on amended plans, report to be drafted and submitted for sign off	☐
Reason for EOT	☐

APPLICATION NO./ADDRESS:

DC/24/1211
Little Chancton , Littleworth Lane, Partridge Green, West Sussex, RH13 8JF

DESCRIPTION:

Erection of a single storey rear extension and installation of rooflights.

RELEVANT PLANNING HISTORY:

DC/23/0779 Alterations and remodelling of existing roofs. Application Permitted on 19.06.2023

RELEVANT PLANNING POLICIES

The National Planning Policy Framework (NPPF)

Horsham District Planning Framework (2015):
Policy 32- Strategic Policy: The Quality of New Development
Policy 33- Development Principles

Neighbourhood Plan:
West Grinstead Neighbourhood Plan (2019-2031)

REPRESENTATIONS AND CONSULTATIONS RESPONSES

Consultations:

Natural England: Standing Advice:-

It cannot be concluded that existing abstraction within the Sussex North Water Supply Zone is not having an adverse effect on the integrity of the Arun Valley SAC/SPA/Ramsar sites. Developments within Sussex North must therefore must not add to this impact and one way of achieving this is to demonstrate water neutrality. The definition of water neutrality is the use of water in the supply area before the development is the same or lower after the development is in place.

To achieve this Natural England is working in partnership with all the relevant authorities to secure water neutrality collectively through a water neutrality strategy. Whilst the strategy is evolving, Natural England advises that decisions on planning applications should await its completion. However, if there are applications which a planning authority deems critical to proceed in the absence of the strategy, then Natural England advises that any application needs to demonstrate water neutrality.

Parish Comments:

No objection

Representations:

None received

HUMAN RIGHTS AND EQUALITY:

The application has been considered having regard to Article 1 of the First Protocol of the Human Rights Act 1998, which sets out a person's rights to the peaceful enjoyment of property and Article 8 of the same Act, which sets out their rights in respect to private and family life and for the home. Officers consider that the proposal would not be contrary to the provisions of the above Articles.

The application has also been considered in accordance with Horsham District Council's public sector equality duty, which seeks to prevent unlawful discrimination, to promote equality of opportunity and to foster good relations between people in a diverse community, in accordance with Section 149 of the Equality Act 2010. In this case, the proposal is not anticipated to have any potential impact from an equality perspective.

PLANNING ASSESSMENT

The application has been assessed on the basis of the submitted details, together with the planning history of the site and adjoining properties, available images and photographs supplied by the agent. These details were considered sufficient to allow the application to be properly considered and determined.

Character and Appearance

Policy 28 of the Horsham District Planning Framework (HDPF) states that outside the defined built-up areas, house extensions will be supported if the development can be accommodated appropriately within the curtilage of the existing dwelling.

Policy 32 and 33 of the HDPF seeks to ensure that development promotes a high standard and quality of design in order to enhance and protect locally distinctive characters. The policies also seek to ensure that the scale, massing and appearance of development relates sympathetically with the built surroundings, landscape, open spaces and routes within and adjoining the site, including any impact on the skyline and important views.

Chapter 6 – Housing. Seeks to protect, enhance and sustain the rural character of West Grinstead and its surrounding environment.

While it is noted that the proposed single storey extension would be a relatively large addition to the rear of the host property it is considered the proposal would reflect the form, scale and detailing of the existing building and would appear as a coherent and sympathetic addition. The proposed single storey rear extension would not be particularly visible from a public vantage point, and it is considered that given the mixture of building forms and designs making up the dwellings within the vicinity, the proposed works would not have a detrimental impact on the host property or wider surrounds. The proposal is considered to be of an appropriate design, form and scale appropriate to the character and appearance of the existing dwelling and would not harm the character or appearance of the wider area or the countryside location. It is therefore considered that the visual impact of the proposal is acceptable and would accord with the above policies.

Impact on Neighbouring Amenity

Policy 33 of the HDPF states that permission will be granted for development that does not cause unacceptable harm to the amenity of the occupiers/users of nearby properties and land.

It is considered that the siting and layout of the proposed extension and the resulting relationship with adjoining properties would be sufficient to prevent any unacceptable harm to neighbouring amenity.

Water Neutrality

There is no clear or compelling evidence to suggest the nature and scale of the proposed development would result in a more intensive occupation of the dwelling necessitating an increased consumption of water that would result in a significant impact on the Arun Valley SAC, SPA and Ramsar sites, either alone or in combination with other plans and projects. The grant of planning permission would not therefore adversely affect the integrity of these sites or otherwise conflict with policy 31 of the HDPF, NPPF paragraph 180 and the Council's obligations under the Conservation of Habitats and Species Regulations 2017.

Conclusion

The proposal is considered to comply with relevant local and national planning policies and is therefore recommended for approval.

Recommendation: Application Permitted

Conditions:

2 **Standard Time Condition**: The development hereby permitted shall begin before the expiration of three years from the date of this permission.

Reason: To comply with Section 91 of the Town and Country Planning Act 1990.

3 **Regulatory Condition:** The materials to be used in the development hereby permitted shall strictly accord with those indicated on the application form.

Reason: To enable the Local Planning Authority to control the development in detail in the interests of visual amenity and in accordance with Policy 33 of the Horsham District Planning Framework (2015).

POSITIVE AND PROACTIVE STATEMENT

Statement pursuant to Article 35 of the Town and Country Planning (Development Management Procedure) (England) Order 2015. The Local Planning Authority has acted positively and proactively in determining this application by assessing the proposal against all material considerations, including planning policies and any representations that may have been received, in order to be able to, where possible, grant permission.
