Dear Guy,

Please ignore previous email, which had the incorrect subject line. This one is correct:

North PB Ltd would like to give notification of its intention to install Wi-Fi units on readied street columns using Permitted Development Rights.

The wi-fi units will be sited upon the CCTV column already located at Site Location 3: (50 High St, Steyning BN44 3RD).

Please find attached:

Land Registry map showing location (example)

Site design including Wi-Fi unit (s) specification.

The intention is to carry out the installations between Nov 2026 and Jul 2027 (TBC).

I hope this is acceptable and look forward to your acknowledgement and receipt of the corresponding reference number.

Regards

Tony Gascoyne
