Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Design - Highway Access and Parking
Comments:	The design would affect the privacy of those properties directly opposite in both Churchill Avenue and especially Hamilton Road. The parking and access is not great with numerous cars parking in the cul de sac to either dog walk and or play field sports leaving no space to turn and on occasions exit drive ways The design would impact directly to Trinity recreation fields

Kind regards
