Dear Sir / Madam,

Re: Notification of Certificated Location – 2026 Season

I write in my capacity as Secretary of Wild Trails Camping Club to formally notify the Local Planning Authority that the Club has issued a Certificated Location Certificate for the 2026 camping season.

Wild Trails Camping Club is an exempted organisation recognised under paragraph 5 of Schedule 1 to the Caravan Sites and Control of Development Act 1960 and The Public Health Act 1936 Section 269. The Club operates under exemption numbers 683. In accordance with the statutory framework applicable to exempted organisations, the Club is authorised to certify land for use by its bona fide members without the requirement for a site licence, subject to the prescribed conditions and limitations.

The enclosed renewal certificate confirms that the above site is authorised for use exclusively by members of Wild Trails Camping Club and is limited to a maximum of 5 units and 10 tents at any one

time. The site must operate strictly within this numerical limit and in accordance with the conditions set out in the certificate and the governing legislation.

The Club maintains formal membership records and governance procedures to ensure compliance with the requirements of the exemption and the Caravan Sites and Control of Development Act 1960.

This notification is provided for your records in respect of the 2026 camping season.
