Comments:	Dear Planning Committee We are the owner-occupiers of 49 Hills Road and have lived here for 22 years. Our home is located next door to the south and down slope of 47 Hills Road. We wish to object in the strongest possible terms to the proposed planning application for an extension at 47 Hills Road. The plans as submitted do not show the detrimental effect that the extension will have on our property in relation to overshadowing and loss of light. Specifically:

1. Our living room and master bedroom windows are positioned at right angles and to the north of the proposed extension. Throughout the year, and particularly in winter, both will be overshadowed by the extension resulting in significant loss of light. This is even more acute as the impact is on the principal windows of both rooms. We have lived in this property for more than 20 years and have had the benefit of light for all that time. We spend most of our time at home in these two rooms.
2. The plans as submitted do not include contour lines and thus
