Description of the Proposal

Please provide a description of the approved development as shown on the decision letter

Prior Notification for the change of use of an agricultural building to residential (Class C3) to form 1no. dwellinghouse with associated operational development.

1 Pre-Commencement Condition: Prior to the commencement of development approved by this planning permission (or such other date or stage in development as may be agreed in writing with the Local Planning Authority), the following components of a scheme to deal with the risks associated with contamination, including asbestos contamination, of the site and extant structures shall each be submitted to and approved, in writing, by the local planning authority:

a) A preliminary risk assessment which has identified:
all previous uses
potential contaminants associated with those uses
a conceptual model of the site indicating sources, pathways and receptors
potentially unacceptable risks arising from contamination at the site.

b) A site investigation scheme, based on (a) to provide information for a detailed assessment of the risk to all receptors that may be affected, including those off site.

c) The site investigation results and the detailed risk assessment (b) and, based on these, an options appraisal and remediation strategy giving full details of the remediation measures required and how they are to be undertaken.
