You don't often get email from fiona.hiron@horsham.gov.uk. [Learn why this is important](#)

[REDACTED]

Hi Sophie,

I've had a look at the submission for the above application for EHL.

We would like to have sight of the site rules and terms of use that people who hire the field must agree to prior to permission being granted.

The Operational and Environmental Management Plan is a good document, however, we would like to see some additions in order to protect residential amenity nearby:

- The booking register records must be held for a period of 6 months in order to enable us to work with the business to identify and customers who are the cause of complaints.
- The daily visit should take place when the field is in use each day.
- There must be a notice at the entrance to the field which either gives a phone number for public contact, or signposts to a website where this detail is clearly available.
- There should be a meeting on site and induction for new customers to go through the site rules and terms of use.

We would also want the following conditions in place to protect amenity:

- Hours of use: Monday – Friday 08:00 – 19:00; Saturday, Sunday and Bank Holidays 09:00 – 13:00.
- Maximum number of dogs allowed at any one time: 6.
- The approved noise management plan should be strictly adhered to at all times.

Best,

Fiona Hiron
Environmental Health Officer
