Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Other - Overdevelopment
Comments:	Access to doctors and schools The children going to the schools will be in danger crossing the roads either Brighton Road or Doomsday Lane. As for the developer saying the children can cross over Brighton Road and go down the footpath into Sandeman Way That was obviously a joke. The cars go far faster than the speed limit along Brighton Road

There is 1 bus an hour (17) into and out of Horsham oh and of course the 89 that runs a couple of times a week!
The doctors surgeries are full I am led to believe. As is Heron Way Primary school. That is oversubscribed.
Drainage form rainwater from the site into the River Arun and possible flooding.
Brighton Road does have excess water on the road between Hernbrook Drive and Hilliers Gareden Centre when it rains heavily.

Kind regards
