Westons Farm Westons Hill Itchingfield West Sussex
Erection of a glasshouse.

Your application DC/25/0173 has now been determined and I enclose the decision notice. The decision notice contains important information. Please take a moment to read it as further action may be required.

Conditions
Before you start work, information must be submitted for any conditions that require discharge before development can begin. The decision notice will set out what information need to be sent.

Biodiversity Net Gain Condition
Please note the requirement within the Environment Act 2021 for development to deliver a minimum of 10% net gain in biodiversity may be applicable to your development. In the event your development is required to achieve a minimum 10% net gain in biodiversity then a Biodiversity Net Gain Condition (separate to the main list of conditions) will appear on your decision notice requiring the submission of a Biodiversity Gain Plan for approval prior to development commencing.

Failure to discharge conditions before commencing development could result in the development being unlawful or enforcement action being taken. You can notify us of your intention to initiate development by completing a pre-commencement notification which will help us to monitor your development. There is no fee to use this service. To do this, or for further information about discharging planning conditions, visit us online at horsham.gov.uk/planning/discharging-a-planning-condition

Community Infrastructure Levy (CIL)
If this development is CIL liable, the requirements of CIL must be met before you start work. Failure to do so could result in additional financial penalties. For further information relating to CIL visit horsham.gov.uk/planning/planning-policy/community-infrastructure-levy/cil-charges-and-how-to-pay

If you have any questions about the decision notice, you can call us and speak to a member of the team on 01403 215187 between 9AM - 5PM, Monday to Friday.

If you are acting as the planning agent for this application, please ensure that the applicant is given a copy of the decision notice and this letter.

Yours Sincerely,
Development Management

Horsham District Council

Application Number: DC/25/0173

TOWN AND COUNTRY PLANNING ACT, 1990 (as amended)
TOWN AND COUNTRY PLANNING (Development Management Procedure) (England) Order 2015

On behalf of: Mr David Exwood

In pursuance of their powers under the above-mentioned Act and Order, the Council hereby notify you that they PERMIT the following development, that is to say:

Erection of a glasshouse.

Westons Farm Westons Hill Itchingfield West Sussex

to be carried out in accordance with Application No. DC/25/0173 submitted to the Council on 05/03/2025 and subject to compliance with the plans/documents and conditions specified hereunder.

Emma Parkes
Head of Development and Building Control

Date: 23/07/2025

1 **Plans Condition**: The development hereby permitted shall be carried out in accordance with the approved plans listed in the schedule below.

SCHEDULE OF PLANS/DOCUMENTS

Plan Type	Description	Drawing Number	Received Date
Location plan		001 REV P3	04.02.2025
Block plan	Existing	002 REV P1	04.02.2025
Block plan	Proposed	003 REV P1	04.02.2025
Floor plan	Proposed	010 REV P1	04.02.2025
Elevation plan	Proposed South	012 REV P2	04.02.2025
Elevation plan	Proposed East	013 REV P2	04.02.2025
Elevation plan	Proposed North	014 REV P2	04.02.2025

Elevation plan	Proposed West	015 REV P2	04.02.2025
Roof plan		011 REV R1	04.02.2025
Supporting Statement	Planning	none	04.02.2025
Supporting Statement	Water Neutrality	688769 REV 2	04.02.2025
Supporting Statement	BNG	REV 1	04.02.2025
Supporting Docs	NG Metric tool	none	04.02.2025
Supporting Docs	Conditions Assessment	none	04.02.2025

Reason: For the avoidance of doubt and in the interest of proper planning.

2 **Standard Time Condition**: The development hereby permitted shall begin before the expiration of three years from the date of this permission.

Reason: To comply with Section 91 of the Town and Country Planning Act 1990.

3 **Pre-Occupation Condition**: The development hereby permitted shall not be brought into use until evidence has been submitted to and been approved in writing by the Local Planning Authority that the approved water neutrality strategy (set out in the Water Neutrality Statement, ref. 688769 REV.2, Dated 31/01/2025) has been implemented in full.

Reason: To ensure the development is water neutral to avoid an adverse impact on the Arun Valley SACSPA and Ramsar sites in accordance with Policy 31 of the Horsham District Planning Framework (2015), Paragraphs 179 and 180 of the National Planning Policy Framework (2021), its duties under the Conservation of Habitats and Species Regulations 2017 (as amended), and s40 of the NERC Act 2006 (Priority Habitats & Species).

4 **Regulatory Condition**: The materials to be used in the development hereby permitted shall strictly accord with those indicated on the approved plans and application form.

Reason: To enable the Local Planning Authority to control the development in detail in the interests of visual amenity and in accordance with Policy 33 of the Horsham District Planning Framework (2015).

5 **Regulatory Condition**: The building hereby permitted shall be used for agricultural purposes only, as defined in Section 336(1) of the Town and Country Planning Act 1990.

Reason: The site lies in an area where, in accordance with Policy 26 of the Horsham District Planning Framework (2015) development unrelated to an essential rural activity would not normally be permitted.

Note to Applicant

Great Crested Newts

The applicant is reminded that, under the Conservation of Habitats and Species Regulations 2017 (as amended) and the Wildlife and Countryside Act 1981 (as amended), it is an offence to (amongst other things): deliberately capture, disturb, injure, or kill great crested newts; damage or destroy a breeding or resting place; intentionally or recklessly obstruct access to a resting or sheltering place. Planning permission for a development does not provide a defence against prosecution under this legislation.

Should great crested newts be found at any stage of the development works, then all works should cease, and a professional and/or suitably qualified and experienced ecologist (or Natural England) should be contacted for advice on any special precautions before continuing, including the need for a licence.

The following recommendations are also provided to further reduce the likelihood of impacts on this species:

- Any vegetation in the construction area will be kept closely mown during the course of the construction work.
- Any trenches left overnight should be covered or provided with ramps to prevent GCN from becoming trapped.
- Any building materials such as bricks, stone etc. should be stored on pallets to discourage GCN from using them as shelter.
- Any demolition materials should be stored in skips or similar containers rather than in piles on ground.

If the applicant wishes to completely avoid any risks relating to great crested newts, they have the option to enquire for their Council's District Licence, which provides full legal cover for any impacts to great crested newts and therefore removes the risk of having to stop works if great crested newts are found on site. More details on the District Licensing Scheme operated by the council can be found at www.naturespaceuk.com .

If at any point during construction works any great crested newts are identified, then the following instructions must be strictly adhered to:

- Stop all works immediately and leave the area
- Inform an ecologist immediately who will provide further guidance / instructions
- Do not try to handle or rescue a great crested newt
- Do not resume construction works until advised it is safe to do so by an ecologist

It should be noted that if an individual great crested newt is found at any point during the works, a European Protected Species Licence (EPSL) or District Licence (DL) may be required to permit works that would potentially cause disturbance and otherwise commit an offence under the relevant legislation.

Note to Applicant

Biodiversity Net Gain Condition

Paragraph 13 of Schedule 7A to the Town and Country Planning Act 1990 states that planning permission is deemed to have been granted subject to the "biodiversity gain condition" which means development granted by this notice must not begin unless:

(a) a Biodiversity Gain Plan has been submitted to the planning authority, and
(b) the planning authority has approved the plan.

The planning authority, for the purposes of determining whether to approve a Biodiversity Gain Plan if one is required in respect of this permission is Horsham District Council.

This permission will require the submission and approval of a Biodiversity Gain Plan before development is begun.

For guidance on the contents of the Biodiversity Gain Plan that must be submitted and agreed by the Council prior to the commencement of the consented development please see the link:

Submit a biodiversity gain plan - GOV.UK (www.gov.uk).

Statutory exemptions and transitional arrangements
There are statutory exemptions and transitional arrangements which mean that the biodiversity gain condition does not always apply. These can be found at Paragraph: 003 Reference ID: 74-003-20240214 of the Planning Practice Guidance, which can be found at https://www.gov.uk/guidance/biodiversity-net-gain.

Irreplaceable habitat
If the onsite habitat includes irreplaceable habitat (within the meaning of the Biodiversity Gain Requirements (Irreplaceable Habitat Regulations 2024) there are additional requirements for the content and approval of Biodiversity Gain Plans.

Note to Applicant
Statement pursuant to Article 35 of the Town and Country Planning (Development Management Procedure) (England) Order 2015. The Local Planning Authority has acted positively and proactively in determining this application by assessing the proposal against all material considerations, including planning policies and any representations that may have been received, in order to be able to, where possible, grant permission.

ADDITIONAL INFORMATION

Planning Permission – Important Provisos
If planning permission has been granted, please note that your Notice of Decision refers only to consideration of your proposal under the Town and Country Planning Acts. It is not a building regulations approval and does not mean that you can disregard other Acts of Regulations or avoid any other legal obligations. Some of these obligations, of particular relevance to your proposal are referred to elsewhere in this note. Before you proceed with your proposal you should ensure that a Building Control application is not required or has been submitted. The Building Control Department can be contacted on 01403 215151.

If this permission relates to new dwellings, commercial premises or other buildings which will require a new postal address you should contact the Council's Street Naming & Numbering Department as soon as possible or before work commences on site. Further details are available on the Street Naming page on the Council's website or alternatively e-mail streetnaming@horsham.gov.uk or telephone 01403 215139.

It is the responsibility of the developer to provide bins for the development. If you are a developer and need to purchase bins, please email hop.oast.admin@horsham.gov.uk.

It must be stressed that the information included on this Notice of Decision may not include all your legal obligations, and it does not grant you rights to carry out works on or over lands, or to access land that is not within your control or ownership.

Amendments
Should alterations or amendments be required to the approved plans, it will be necessary to apply either under Section 96A of the Town and Country Planning Act 1990 for non-material alterations, or under Section 73 of the Act for minor material alterations. An application must be made using the standard application form and you should consult with us, to establish the correct type of application to be made.

Monitoring
Horsham District Council monitors the implementation of planning permissions. Please be aware that monitoring officers may visit the application site at various stages of the development to ensure compliance with the approved plans and conditions.

Right of Appeals
If you are aggrieved by the decision to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under Section 78 of the Town and Country Planning Act 1990.

You must appeal within 12 weeks of the date of the decision notice for a householder application or 'minor commercial' (shop front) development, and within 6 months for other types of planning applications. There are different timescale – usually 28 days – if an enforcement notice is/has been served for the same (or very similar) land and development. Please note, only the applicant possesses the right of appeal.

Appeals can be made online at: https://www.gov.uk/planning-inspectorate. If you are unable to access the online appeal form, please contact the Planning Inspectorate to obtain a paper copy of the appeal form on tel: 0303 444 5000.

The Secretary of State can allow a longer period for giving notice of an appeal but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to the Secretary of State that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.

If you intend to submit an appeal that you would like examined by inquiry then you must notify the Local Planning Authority and Planning Inspectorate (inquiryappeals@planninginspectorate.gov.uk) at least 10 days before submitting the appeal. Further details are at https://www.gov.uk/government/collections/casework-dealt-with-by-inquiries.
