Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Loss of General Amenity - Overdevelopment - Trees and Landscaping
Comments:	Keep this land as it is, so all the wildlife can continue to enjoy it. Along with all the people who walk there, alone, with dogs and children. It is a beautiful spot. On a practical point, the access will cause mayhem with extra

traffic on our already congested roads in this area. There is already too much development going on around Horsham.

Kind regards
