Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Design - Other
Comments:	I am writing on behalf of the Horsham Society to support the observations made the Conservation Officer in regard to this application and an earlier similar one (DC/25/0298). We believe in particular that the visual appearance of this very dominant building would be improved if it had a more active frontage to the building in the windows facing onto East Street. le Secretary, Planning Sub Committee

Kind regards
