Comments:	As a local resident and member of Steyning Cricket Club I wanted to voice my support the proposed development. Whilst the current club is a functional and welcoming space, I don't it is a club the town can be proud of, and it doesn't do justice to its amazing view and location. Construction of a modern purpose built facility which balances cricket needs with a social space for the community can only be a

benefit to the town and the ever increasing community of Steyning.

Kind regards
