Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Loss of General Amenity - Overdevelopment - Trees and Landscaping
Comments:	We need to keep our green spaces. There is so much housing development already in this area and we do not have the infrastructure to support it now, let alone if more houses are build. We need better roads, road surfaces, more doctor's surgeries, a local A&E hospital, much better water sources/neutrality, more reliable internet connectivity, etc, before additional housing is built.

Kind regards
