Comments Details

Commenter Type:	Parish Council
Stance:	Customer made comments neither objecting to or supporting the Planning Application
Reasons for comment:	- Highway Access and Parking
Comments:	At the Planning and Environment committee meeting of 4 August 2026, the committee resolved to an OBJECTION to this application due to concerns raised around the loss of a parking space within a small dead end cul-de-sac. The small plot would be overdeveloped and lead to further street parking to the detriment of neighbours or future owners of the property.

Kind regards
