HORSHAM DISTRICT COUNCIL CONSULTATION

TO:	Horsham District Council – Planning Dept
LOCATION:	Scrase House, Copperfield Manor, Manor Lane, Horsham
DESCRIPTION:	
REFERENCE:	DC/25/0550
RECOMMENDATION:	~~Advice /~~ No Objection ~~/ Objection / More Information / Modification / Refusal~~
SUMMARY OF COMMENTS & RECOMMENDATION: The proposal will not result in harm to the listed building.	
MAIN COMMENTS: Dear Marie, Scrase House is one of a number of dwellings created when Coolhurst House was divided in the early 1990s. The single glazed Crittal windows fitted to the building appear to be older than this conversion and I assume they were fitted when the building was used as an educational institution in the mid-twentieth century. I am satisfied the existing windows do not contribute to the special interest of the listed building. The proposed replacement aluminium windows will give a similar appearance to the existing steel windows and I am content the double glazing will not appear incongruous in this case. I am satisfied no detailed conditions are required. Regards, Seán
