Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Loss of General Amenity - Overdevelopment - Privacy Light and Noise - Trees and Landscaping
Comments:	I feel this is a totally unnecessary addition, it's already an absolute eyesore to those walking past and even more fencing not only causes noise disturbances whilst it's being fitted but makes it even

worse to look at.

More path ways means more greenery removed. These football pitches are also only used for the first team so doesn't aid the village in anyway let alone the younger members of Southwater FC.

Kind regards
