[REDACTED]

Categories: Consultations

Dear Jacques

Application: DC/25/2106
Location: Toat Farm Bashurst Hill Itchingfield West Sussex
Proposal: Conversion of existing barn and reconstruction of car port to create a residential annexe.

Thank you for further re-consulting Place Services on the above application.

We have reviewed the additional information submitted and have no further comment in addition to our response dated 9th April 2026.

We are still satisfied that there is sufficient ecological information available for determination of this application. We still have no objections on ecological matters excluding Great Crested Newt as we have been instructed to leave comments on this European Protected Species to the [NatureSpace Partnership](#).

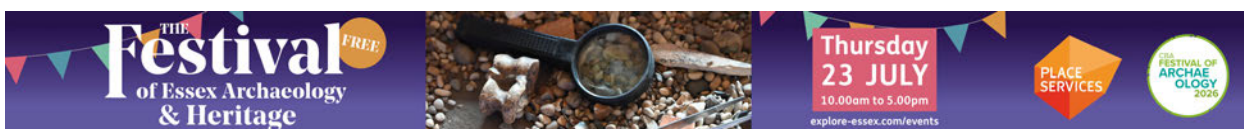

Please note we cannot see our previous no objection on the planning website and recommend they are uploaded.

Please contact us if you have any queries in relation to this advice.
