Dear Sam

I recently posted my objection to Planning Application DC/26/0595 | Removal of covered play area and erection of single storey classroom. I live at 31 Nutham Lane and my main concern is associated parking along Cedar drive. When I drove past this morning it seemed particularly bad there so I took this photo from the bus stop itself and as usual it was tricky getting past. I went back and took this photo this morning (6 May) from the bus stop. I am not sure about procedure but I would appreciate this evidence being added to my objection.

Kind regards
