**Comments:** Dear Sir/Madam,

I am writing as a neighbouring resident to express my full support for the application to allow the swim school to operate on Sundays.

From my experience living next door, I can confirm that traffic associated with the swim school has been well managed and does not cause any disruption. Parking has never been an issue in the area, and there is always sufficient space for visitors without impacting residents.

Additionally, there are no noise concerns. The operation of the swim school has been

respectful of the surrounding neighbourhood, and I have not experienced any disturbance.

[REDACTED]

I am therefore entirely supportive of the proposal for the swim school to open on Sundays and do not foresee any negative impact on the local community.

Yours faithfully,

[REDACTED]
