**Comments:** Dear Planning Officer,

I am writing to confirm my support for the swim school's application to operate on Sundays. As a nearby neighbour, I have had ample opportunity to observe how the business functions.

In my view, traffic levels generated by the swim school are modest and well controlled. There have been no problems with congestion, and parking availability in the area remains adequate at all times.

I have also not experienced any noise disturbance. The swim school operates considerably and has not caused any inconvenience to my household.

For these reasons, I am happy for the swim school to be open on Sundays and fully support the application submitted to the Council.

Yours sincerely,
