Reasons for comment:

- Loss of General Amenity
- Overdevelopment
- Privacy Light and Noise

Comments:

It seems that Southwater soon will have no green space and become more of a town than a village. Our lovely village is being taken over by greed and wildlife is being killed.
We use this area to walk and we don't need to be surrounded by houses.
I believe that Southwater has water neutrality in place.
To lose the character of Southwater, the nature and the community feel will mean a lot of locals will up and leave

Kind regards
