Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking
Comments:	The original plan was for 10 SINGLE storey dwellings to allow current residents to downsize. 7 of the proposed dwellings are two storey! Houses on the Common will be badly affected by these larger dwellings overlooking their homes The access for construction vehicles would be particularly difficult and extremely bad news for Furners Mead and Daisycroft residents. Also Furners Mead is a CUL DE SAC!!

This proposal is not in accordance with the agreed
Neighbourhood Plan .

Kind regards
