Dear Shazia,

I am satisfied the proposal will not harm the character of the conservation area. I have suggested conditions below.

Regards,
Seán

LB01 Samples of External Materials and Finishes

Pre-Commencement Condition: Prior to relevant work beginning, the following details shall have been submitted to and approved in writing by the Local Planning Authority. The relevant works must not be executed other than in complete accordance with these approved details:

Specifications of external materials and surface finishes including flat roof covering.

Reason: As this matter is fundamental to ensure that the significance of the designated heritage asset, and the character, appearance and integrity of the building, is not prejudiced, thereby preserving the special architectural or historic interest which it possesses, and to comply with Policy 34 of the Horsham District Planning Framework (2015).

LB03 Windows

Regulatory Condition: The new windows hereby permitted shall have casements flush fitted with their frames if manufactured in timber or plastic.
Reason: To ensure that the significance of the designated heritage asset, and the character, appearance and integrity of the building, is not prejudiced, thereby preserving the special architectural or historic interest which it possesses, and to comply with Policy 34 of the Horsham District Planning Framework (2015).

LB04 Roof Lights

Regulatory Condition: The roof lights hereby permitted shall be metal framed and sit flush with the roof slope.
Reason: To ensure that the significance of the designated heritage asset, and the character, appearance and integrity of the building, is not prejudiced, thereby preserving the special architectural or historic interest which it possesses, and to comply with Policy 34 of the Horsham District Planning Framework (2015).
