Hi Jason,

DISC/25/0041 – Approval of details reserved by condition 17 to approved application DC/16/2856

I wanted to send you a response in our consultation template but having trouble getting into the G drive at the moment, so please accept this email as the landscape response.
I have checked the updated LMMP and have no further comments. Therefore I am happy to recommend the discharge of the condition.

Kind regards,
Inês
