Stance:	Customer objects to the Planning Application
Reasons for comment:	- Design - Overdevelopment - Trees and Landscaping
Comments:	The revised planned have minimal alterations. The need is for social housing, not open market properties. If at least 75% of the properties were social housing you could justify such a large & sudden growth of the village's population.

No need for another sports pavilion.

Part of the perimeter of the development is over brook, are they going to redirect that too?

The generous donation to the council seems like an attempt to bribe the council in favour of the development.

Kind regards
