Station Road
Pulborough
RH20 1RL

Trueloves Field Marches Road Kingsfold West Sussex
Erection of a stable building, sand school and change of use of land for private equine use.

Your application DC/24/1179 has now been determined and I enclose the decision notice. The decision notice contains important information. Please take a moment to read it as further action may be required.

Conditions
Before you start work, information must be submitted for any conditions that require discharge before development can begin. The decision notice will set out what information need to be sent.

Biodiversity Net Gain Condition
Please note the requirement within the Environment Act 2021 for development to deliver a minimum of 10% net gain in biodiversity may be applicable to your development. In the event your development is required to achieve a minimum 10% net gain in biodiversity then a Biodiversity Net Gain Condition (separate to the main list of conditions) will appear on your decision notice requiring the submission of a Biodiversity Gain Plan for approval prior to development commencing.

Failure to discharge conditions before commencing development could result in the development being unlawful or enforcement action being taken. You can notify us of your intention to initiate development by completing a pre-commencement notification which will help us to monitor your development. There is no fee to use this service. To do this, or for further information about discharging planning conditions, visit us online at horsham.gov.uk/planning/discharging-a-planning-condition

Community Infrastructure Levy (CIL)
If this development is CIL liable, the requirements of CIL must be met before you start work. Failure to do so could result in additional financial penalties. For further information relating to CIL visit horsham.gov.uk/planning/planning-policy/community-infrastructure-levy/cil-charges-and-how-to-pay

If you have any questions about the decision notice, you can call us and speak to a member of the team on 01403 215187 between 9AM - 5PM, Monday to Friday.

If you are acting as the planning agent for this application, please ensure that the applicant is given a copy of the decision notice and this letter.

Yours Sincerely,
Development Management

Horsham District Council

Mrs Charlotte Catton-Giltinane

Application Number: DC/24/1179

TOWN AND COUNTRY PLANNING ACT, 1990 (as amended)
TOWN AND COUNTRY PLANNING (Development Management Procedure) (England) Order 2015

On behalf of: Mr and Mrs Cooper

In pursuance of their powers under the above-mentioned Act and Order, the Council hereby notify you that they **PERMIT** the following development, that is to say:

Erection of a stable building, sand school and change of use of land for private equine use.

Trueloves Field Marches Road Kingsfold West Sussex

to be carried out in accordance with Application No. DC/24/1179 submitted to the Council on 02/08/2024 and subject to compliance with the plans/documents and conditions specified hereunder.

Emma Parkes
Head of Development and Building Control

Date: 19/12/2024

1 **Plans Condition**: The development hereby permitted shall be carried out in accordance with the approved plans listed in the schedule below.

SCHEDULE OF PLANS/DOCUMENTS

Plan Type	Description	Drawing Number	Received Date
Elevation & Floor plan	Sand School Plan & Elevations	TLF 2024 003	02.08.2024
Section plan	Sand School Section Detail	TLF 2024 004	02.08.2024
Location plan	Site Location Plan	TLF 2024 001	02.08.2024
Elevation & Floor plan	Fences/Gates Linking Stables to Sand Sch	TLF 2024 005	02.08.2024
Roof plan		NONE	02.08.2024

Supporting Statement	Water Neutrality Statement by Batchellor Monkhouse dated August 2024	NONE	02.08.2024
Elevation plan		NONE Rev 0	02.08.2024
Floor plan		NONE Rev 0	02.08.2024

Block plan	Existing & Proposed Site/Block Plan	TLF 2024 002	23.09.2024

Reason: For the avoidance of doubt and in the interest of proper planning.

2 **Standard Time Condition**: The development hereby permitted shall begin before the expiration of three years from the date of this permission.

Reason: To comply with Section 91 of the Town and Country Planning Act 1990.

3 **Pre-Commencement (Slab Level) Condition**: No development above ground floor slab level shall commence until a management and maintenance plan for the rainwater harvesting system has been submitted to and approved in writing by the Local Planning Authority. The management and maintenance plan shall include the following details:

- The sampling regime and parameters etc, recognising that the sampling will need to be undertaken a DWI certified sampler and analysed by a UKAS accredited lab.
- Detail on how any failure of any samples will be investigated and managed.
- Details, including a plan or schematic, showing the supply - storage tanks, treatment etc, and means to record the total water consumption of each unit
- Detail on what type of treatment that will be installed on the supply with information clearly indicating that it is appropriate for the amount of water being used.
- Detail on how the treatment system, pipework, tanks etc will be cleaned and maintained and who will maintain them for the lifetime of the development. This should include any re-activation of the system after it has been out of use due to lack of rainfall/use.
- The completion and sharing of the Regulation 6 risk assessment by a suitably competent person (as required by the Private Water Supply (England) Regulations 2016) prior to the water supply being put into use.
- Detail on the continuity of supply during dry periods extending beyond 35 days.
- Arrangements for keeping written records of all sampling, results of analysis, inspection, cleaning, and maintenance.
- Details of contingency plans to ensure any failure's or reported concerns with the supply are investigated and rectified as soon as possible, including timeframes. This should include notification of the investigation and corrective actions to the local authority

The management and maintenance plan shall be operated in full at all times. No alterations or revisions to the approved management plan shall be implemented without the written approval of the Local Planning Authority.

Reason: To ensure the development is water neutral to avoid an adverse impact on the Arun Valley SACSPA and Ramsar sites in accordance with Policy 31 of the Horsham District Planning Framework (2015), Paragraphs 185 and 186 of the National Planning Policy Framework (2023), and to allow the Local Planning Authority to discharge its duties under the Conservation of Habitats and Species Regulations 2017 (as amended), and s40 of the NERC Act 2006 (Priority habitats & species).

4 **Pre-Commencement (Slab Level) Condition**: Prior to any works above slab level a Biodiversity Enhancement Strategy for protected and Priority species prepared by a suitably qualified ecologist shall be submitted to and approved in writing by the local planning authority.

The content of the Biodiversity Enhancement Strategy shall include the following:

a) Purpose and conservation objectives for the proposed enhancement measures;
b) detailed designs or product descriptions to achieve stated objectives;
c) locations, orientations and heights of proposed enhancement measures by appropriate maps and plans (where relevant);
d) persons responsible for implementing the enhancement measures; and
e) details of initial aftercare and long-term maintenance (where relevant).

The works shall be implemented in accordance with the approved details shall be retained in that manner thereafter.

Reason: To conserve protected species and allow the LPA to discharge its duties under the Conservation of Habitats and Species Regulations 2017 (as amended), the Wildlife & Countryside Act 1981 (as amended) and s17 Crime & Disorder Act 1998 and Policy 31 of the Horsham Development Framework.

5 **Pre-Occupation Condition**: No part of the development hereby permitted shall be occupied until a lighting design scheme for biodiversity based on Guidance Note: 08/23 (Institute of Lighting Professionals) has been submitted to and approved in writing by the local planning authority. The scheme shall identify those features on site that are particularly sensitive for bats and that are likely to cause disturbance along important routes used for foraging; and show how and where external lighting will be installed (through the provision of appropriate lighting contour plans and technical specifications) so that it can be clearly demonstrated that areas to be lit will not disturb or prevent bats using their territory.

All external lighting shall be installed in accordance with the specifications and locations set out in the scheme and maintained thereafter in accordance with the scheme. Under no circumstances should any other external lighting be installed without prior consent from the local planning authority.

Reason: To allow the LPA to discharge its duties under the Conservation of Habitats and Species Regulations 2017 (as amended), the Wildlife & Countryside Act 1981 as amended and s40 of the NERC Act 2006 (as amended) and Policy 31 of the Horsham Development Framework.

6 **Regulatory Condition**: All mitigation and enhancement measures and/or works shall be carried out in accordance with the details contained in the Ecological Impact Assessment

Version 1 (South Downs Ecology, June 2024)) as already submitted with the planning application and agreed in principle with the local planning authority prior to determination. This includes the Precautionary Method Statement for reptiles in Section 6.14 and the Precautionary Method Statement for mobile Priority species in Sections 6.15 and 6.16 of the Protected Species Walkover Survey (AEWC Ltd., August 2024), which avoids impacts on protected species. This will include the appointment of an appropriately competent person e.g. an ecological clerk of works (ECoW) to provide on-site ecological expertise during construction. The appointed person shall undertake all activities, and works shall be carried out, in accordance with the approved details.

Reason: To conserve and enhance protected and Priority species and allow the LPA to discharge its duties under the Conservation of Habitats and Species Regulations 2017 (as amended), the Wildlife & Countryside Act 1981 as amended and s40 of the NERC Act 2006 (Priority habitats & species) and Policy 31 of the Horsham Development Framework.

7 **Regulatory Condition**: The materials to be used in the development hereby permitted shall strictly accord with those indicated on the application form and approved plans.

Reason: To enable the Local Planning Authority to control the development in detail in the interests of visual amenity and in accordance with Policy 33 of the Horsham District Planning Framework (2015).

8 **Regulatory Condition**: No development hereby permitted shall take place except in accordance with the terms and conditions of the Council's Organisational Licence (WML-OR136, or a 'Further Licence') and with the proposals detailed on plan "Trueloves Field: Impact plan for great crested newt District Licensing (Version 1)" dated 17th October 2024.

Reason: In order to ensure that adverse impacts on great crested newts are adequately mitigated and to ensure that site works are delivered in full compliance with the organisational licence (WML-OR136, or a 'Further Licence'), section 15 of the National Planning Policy Framework, Circular 06/2005 and the Natural Environment and Rural Communities Act 2006.

9 **Regulatory Condition**: The outbuilding containing 6 stables, tack room, wash bay/grooming area, hay store/feed room, and WC hereby permitted shall be used solely for purposes incidental to the occupation and enjoyment of the land at Trueloves Field, Marches Road, Kingsfold, West Sussex (as identified on the approved plans). It shall not be used as a separate unit of accommodation, as habitable living accommodation, for any commercial purposes, or for any other purpose(s)/use(s).

Reason: The establishment of an additional independent unit of accommodation, additional living accommodation, commercial use or any other use(s) would give rise to an over-intensive use of the site and lead to an unsatisfactory relationship between independent units of living accommodation contrary to Policies 26 and 33 of the Horsham District Planning Framework (2015).

10 **Regulatory Condition**: The development hereby permitted shall not be used for commercial purposes or in connection with any form of riding or livery establishment.

Reason: In the interests of amenity, to enable the Local Planning Authority to regulate and control the development and in accordance with Policy 33 of the Horsham District Planning Framework (2015).

Note to Applicant

Great Crested Newts:
It is recommended that the NatureSpace Best Practice Principles are taken into account and implemented where possible and appropriate.
Informative: It is essential to note that any works or activities whatsoever undertaken on site (including ground investigations, site preparatory works or ground clearance) prior to receipt of the written authorisation from the planning authority which permits the development to proceed under the District Licence (WML-OR136, or a 'Further Licence') are not licensed under the great crested newt District Licence. Any such works or activities have no legal protection under the great crested newt District Licence and if offences against great crested newt are thereby committed then criminal investigation and prosecution by the police may follow.

Note to Applicant
Biodiversity Net Gain Condition
Paragraph 13 of Schedule 7A to the Town and Country Planning Act 1990 states that planning permission is deemed to have been granted subject to the "biodiversity gain condition" which means development granted by this notice must not begin unless:

(a) a Biodiversity Gain Plan has been submitted to the planning authority, and
(b) the planning authority has approved the plan.

The planning authority, for the purposes of determining whether to approve a Biodiversity Gain Plan if one is required in respect of this permission is Horsham District Council.

This permission will require the submission and approval of a Biodiversity Gain Plan before development is begun.

For guidance on the contents of the Biodiversity Gain Plan that must be submitted and agreed by the Council prior to the commencement of the consented development please see the link:
Submit a biodiversity gain plan - GOV.UK (www.gov.uk).

Statutory exemptions and transitional arrangements
There are statutory exemptions and transitional arrangements which mean that the biodiversity gain condition does not always apply. These can be found at Paragraph: 003 Reference ID: 74-003-20240214 of the Planning Practice Guidance, which can be found at https://www.gov.uk/guidance/biodiversity-net-gain.

Irreplaceable habitat
If the onsite habitat includes irreplaceable habitat (within the meaning of the Biodiversity Gain Requirements (Irreplaceable Habitat Regulations 2024) there are additional requirements for the content and approval of Biodiversity Gain Plans.

Note to Applicant – Community Infrastructure Levy (CIL):
Horsham District Council has adopted a Community Infrastructure Levy (CIL) Charging Schedule which took effect on 1st October 2017. **This development constitutes CIL liable development**.

If you have not received a Liability Notice from the Council within 1 month of the decision date please contact the CIL Team at cil@horsham.gov.uk.

CIL is a mandatory financial charge on development. To avoid additional financial penalties, the requirements of CIL must be managed before development is commenced (including in the event of any successful appeal).

Payment must be made in accordance with the requirements of the CIL Demand Notice issued.

Note to Applicant
Statement pursuant to Article 35 of the Town and Country Planning (Development Management Procedure) (England) Order 2015. The Local Planning Authority has acted positively and proactively in determining this application by assessing the proposal against all material considerations, including planning policies and any representations that may have been received, in order to be able to, where possible, grant permission.

ADDITIONAL INFORMATION

Planning Permission – Important Provisos
If planning permission has been granted, please note that your Notice of Decision refers only to consideration of your proposal under the Town and Country Planning Acts. It is not a building regulations approval and does not mean that you can disregard other Acts of Regulations or avoid any other legal obligations. Some of these obligations, of particular relevance to your proposal are referred to elsewhere in this note. Before you proceed with your proposal you should ensure that a Building Control application is not required or has been submitted. The Building Control Department can be contacted on 01403 215151.

If this permission relates to new dwellings, commercial premises or other buildings which will require a new postal address you should contact the Council's Street Naming & Numbering Department as soon as possible or before work commences on site. Further details are available on the Street Naming page on the Council's website or alternatively e-mail streetnaming@horsham.gov.uk or telephone 01403 215139.

It is the responsibility of the developer to provide bins for the development. If you are a developer and need to purchase bins, please email hop.oast.admin@horsham.gov.uk.

It must be stressed that the information included on this Notice of Decision may not include all your legal obligations, and it does not grant you rights to carry out works on or over lands, or to access land that is not within your control or ownership.

Amendments
Should alterations or amendments be required to the approved plans, it will be necessary to apply either under Section 96A of the Town and Country Planning Act 1990 for non-material alterations, or under Section 73 of the Act for minor material alterations. An application must be made using the standard application form and you should consult with us, to establish the correct type of application to be made.

Monitoring
Horsham District Council monitors the implementation of planning permissions. Please be aware that monitoring officers may visit the application site at various stages of the development to ensure compliance with the approved plans and conditions.

Right of Appeals
If you are aggrieved by the decision to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under Section 78 of the Town and Country Planning Act 1990.

You must appeal within 12 weeks of the date of the decision notice for a householder application or 'minor commercial' (shop front) development, and within 6 months for other types of planning applications. There are different timescale – usually 28 days – if an enforcement notice is/has been served for the same (or very similar) land and development. Please note, only the applicant possesses the right of appeal.

Appeals can be made online at: https://www.gov.uk/planning-inspectorate. If you are unable to access the online appeal form, please contact the Planning Inspectorate to obtain a paper copy of the appeal form on tel: 0303 444 5000.

The Secretary of State can allow a longer period for giving notice of an appeal but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to the Secretary of State that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.

If you intend to submit an appeal that you would like examined by inquiry then you must notify the Local Planning Authority and Planning Inspectorate (inquiryappeals@planninginspectorate.gov.uk) at least 10 days before submitting the appeal. Further details are at https://www.gov.uk/government/collections/casework-dealt-with-by-inquiries.
