Dear Sir/Madam,

Please find attached a plan of our campsite at Sands Farm, Northlands Road, Warnham, RH12 3SQ (advertised as Sands Farm Weekend Camping www.sfweekendcamping.co.uk), This will be our fifth summer of operating and the campsite has gone from strength to strength each year, we aim to provide a relaxing back to nature wild camping experience and we aim to be open between 30/05/2025 - 07/09/2025 for a total of less than 60 non-consecutive days by opening (as the name states) weekends only. Our waste disposal is located in the corner of the campsite and empties into a stand alone septic tank. We own our portable toilets and have a cleaning/emptying contract with To you Loo's for the duration of our open season and they will be responsible for emptying them. If you have any concerns please don't hesitate to contact me

Kind Regards
SFWC
