Comments Details

Commenter Type:	Neighbour
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	- Highway Access and Parking
Comments:	I certainly have no objection to this proposal in fact I support it, sympathetic and well thought out. There are many period properties in Slinfold village with driveway Parking so we feel it's only fair that Chewton does have the same. The other very important point is, it keeps cars off of the road outside of the beautiful church which causes significant congestion. Buses et cetera It also addresses the safety aspect for pedestrians accessing the property produces amount of people crossing the road. Now that the road is 20 mile an hour adds to the benefit of their application as it eases their access.

Kind regards
