Comments:

I am objecting to the Berkeley Homes proposal to build 1,000 homes northwest of Southwater. The Southwater Neighbourhood Plan contains a specific and clear policy: Southwater must remain a single-centre village, with its shops, services and facilities focused around Lintot Square. This is not a minor preference - it is a core planning principle that residents voted to adopt. Berkeley Homes' proposal includes a large new cluster of shops, community facilities, a primary school, and other services on the western edge of the village - effectively creating a second village centre. This would split the village in two, diverting activity away from the existing centre and changing the fundamental character of Southwater. The proposal fails to consolidate the existing settlement of Southwater and would effectively create a split two-neighbourhood settlement instead of a coherent community. The proposal also extends development well beyond the village boundaries set in the Neighbourhood Plan. Much of the proposed site is on land that the Plan specifically identifies as outside the permitted development area. A previous Berkeley Homes application for 1,500 homes on the same site (reference DC/22/1916) was withdrawn in February 2023 after Horsham District Council planning officers concluded it was unacceptable. These fundamental concerns have not been resolved - they have simply been repackaged. I ask that the Berkeley Homes 1,000-home proposal be refused because it violates Neighbourhood Plan policy SNP1.1(a) by creating a second village centre and extends beyond the village boundaries set in the adopted plan.

Kind regards
