Comments:

I am objecting to the Berkeley Homes proposal to build 1,000 homes on farmland northwest of Southwater.

Southwater residents voted in a democratic referendum in June 2021 to approve a Neighbourhood Plan that set a clear and legally binding limit on new housing in the village - between 420 and 460 homes. That was agreed through a proper community-led process.

Berkeley Homes is now proposing more than double that number - 1,000 homes. This is not a slight overshoot. It is a 117% breach of the limit that residents themselves set.

National planning rules state clearly that where a proposal conflicts with the current and in-date Neighbourhood Plan, planning permission should not normally be granted. The Southwater Neighbourhood Plan is recent, legally adopted, and carries full weight.

Berkeley Homes has provided no independent evidence to justify overriding a community plan that was voted for by local people just five years ago. Housing planners may state that the plan is "out of date" being 5 years old but an online petition against this proposal has already attracted over 3000 signatories so the community sentiment back in 2021 is still current.

I ask that the Berkeley Homes 1,000-home proposal be refused because it directly and fundamentally conflicts with the adopted Southwater Neighbourhood Plan on the number of homes allowed.

Kind regards
