CONSULTATION COMMENTS

TO:	Horsham District Council – Planning Dept
SITE ADDRESS:	The Vicarage, Horsham
PROPOSAL:	Surgery to 1x Yew and 1x Lime (Works to Trees in a Conservation Area)
REFERENCE:	CA/24/0017
RECOMMENDATION:	No objection

SUMMARY OF COMMENTS & RECOMMENDATION: No objection (see main comments)

MAIN COMMENTS:

Horsham Denne Neighbourhood Council Tree Warden, Andrew Dickinson, has visited the site and his report is as follows:

The Yew tree is overhanging the pavement. The crown can be raised by 3.5m to give clearance over the pavement. All lateral growth can be reduced back to a healthy union join where possible. Otherwise if should be reduced back to the main stem.

The Lime tree has a multiple stem stand of 5 stems. These are producing lots of growth that overhangs a garage building belonging to the neighbouring property. The bulk of this tree can be crown raised by 5 to 6m to clear the garage roof.
Completion of the crown raise will reduce shading of the area and improve air flow to the tree.

Therefore, HDNC has no objection to this application.

ANY RECOMMENDED CONDITIONS: As above
